Award Description	The purpose of the ARRA 2009 State Loan Repayment Program (SLRP) funding opportunity is to support Delaware's well established program to achieve an appropriate number and geographic distribution of health professionals in Delaware, with a particular focus on areas of the state federally designated as underserved. The SLRP offers licensed health professionals an opportunity to receive awards for repayment of educational loans in exchange for their commitment to serving the uninsured, underinsured, Medicaid, and Medicare populations in DE. The SLRP helps to address health professional workforce shortages that may cause disparities in access to health care.

Recommendations of the Committee regarding medical provider applications are forwarded to the Delaware Institute of Medical Education and Research Board (DIMER), dental recommendations are forwarded to the Delaware Institute of Dental Education and Research Board (DIDER), and finally to the Health Care Commission for ultimate decision.
